Development
U.S. Senate Committee on Appropriations
Dirksen Senate Office Building
Washington, D.C. 20510

Dear Chair Kennedy and Ranking Member Murray,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2026 Energy and Water Development Appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

John R. Curtis
United States Senator

Congressionally Directed Spending Requests

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Helper City	Our project seeks to assess Helper’s electrical grid and produce a report to identify weaknesses and proposed upgrade phases. Our analysis will provide concrete steps toward revitalizing our electrical grid, opening the door for integrating better, more effective technologies to power our community.	Helper/Carbon County UT	\$500
City of Moab	The project is a priority for the City of Moab due to the increasing frequency and severity of flood events. The existing culvert is inadequate for current flood demands, posing significant risks to public safety, infrastructure, and private property.	Moab UT	\$5,000
Price Utah	Water infrastructure for a rural community.	Price UT	\$1,976
Uintah County Conservancy District	Phase I includes pre-construction activities including the needed feasibility study, planning, environmental clearances, and design.	Uintah County UT	\$4,000
