The Honorable Katie Britt  
Chair  
Subcommittee on Homeland Security  
U.S. Senate Committee on Appropriations  
Dirksen Senate Office Building  
Washington, D.C. 20510

The Honorable Chris Murphy  
Ranking Member  
Subcommittee on Homeland Security  
U.S. Senate Committee on Appropriations  
Dirksen Senate Office Building  
Washington, D.C. 20510

Dear Chair Britt and Ranking Member Murphy,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2026 Homeland Security Appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

  
\_\_\_\_\_  
John R. Curtis  
United States Senator

**Curtis, John(R-UT) Homeland Security  
Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
City of Holladay	This project is to seismically retrofit the police department and City Hall building to preserve life and prevent the facility from collapsing in the event of an earthquake.	City of Holladay UT	\$1,650
Weber Basin Water Conservancy District	The project will consist of the installation of three emergency generators at 3 culinary water wells. Emergency generators will be sized and supplied with fuel tanks to enable these facilities to operate for 7 days, based on fuel stored onsite and based on the facilities operating at full capacity.	Layton UT	\$3,000
Provo City	The mitigation plan identifies design and construction/rehabilitation of the Provo River levee system as a flood hazard with high priority. Provo City, with Federal Emergency Management Agency (FEMA) support, has completed a report of the Provo River and Utah Lake levee system(s).	Provo City UT	\$3,382
Spanish Fork City	The primary purpose of the Spanish Fork City Hall Seismic Retrofit Project is to significantly improve the structural and non-structural safety of the existing historic City Hall, ensuring its resilience and continued functionality during and after a seismic event.	Spanish Fork City UT	\$3,000
Washington County	This center will provide a valuable resource to Washington County Emergency Management as well as a location for other entities on the east side of the county for emergency operation space.	Washington County UT	\$1,125
